

RELIC AT WORK

Relic at Work is a co-working system derived from our current Relic design. The unique wedge shape tops are designed to allow a generous work space with a compact footprint. Adjustment between a collaborative work space and private working can be achieved with the use of the additional, magnetically attached accessories. Adding a canopy and lighting will soften the environment, with an option to also specify biophilia.

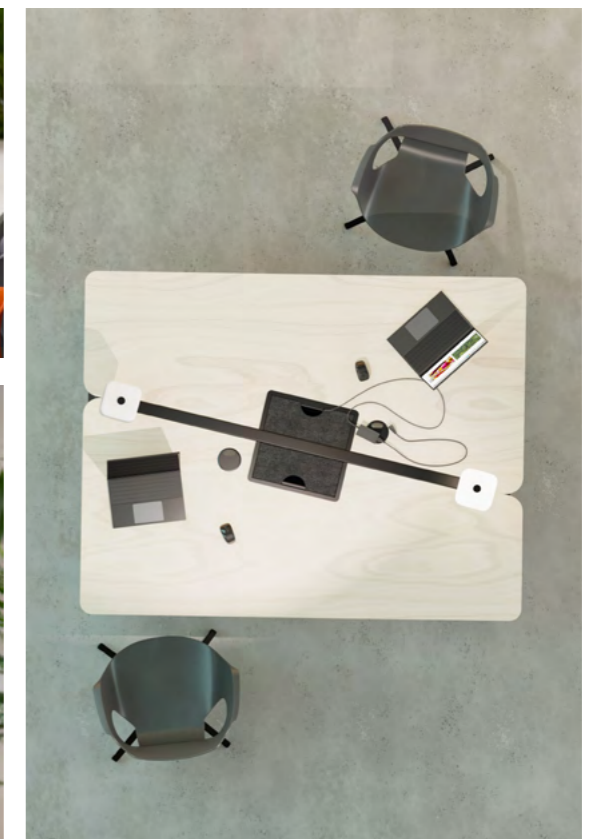

FEATURES

- Multi-functional workspace for co-working or personal use
- Optional castors for mobility
- Large capacity power bank with 8 Power Outlet sockets (4 per user). Ability to extend capacity
- Offset seating positions
- Overhead acoustic canopy
- Hanging trays for storage or plants
- Wedge-shaped tops to maximise space and minimise footprint
- Magnetic accessories for re-positioning
